November 10, 2021

Dear Union Grove Members, Friends, and Family:

Wisconsin is still experiencing very high COVID-19 activity and our seven-day rolling average number of daily cases has jumped over the past week, hitting 2,453 today. Please continue to be vigilant and help us to prevent the spread of the virus.

Since we updated you yesterday, we have had one member test positive for COVID-19. Currently we have eighteen cases of COVID-19 on campus (thirteen members, five employees).

As a reminder, when we have cases of COVID-19 in our facility, we are required to limit visitors. All units are currently closed. If you are planning on visiting a member, you should double check the unit's status by calling ahead or checking [www.WisVetsHomesCOVID.com](http://www.WisVetsHomesCOVID.com).

Finally, let us all continue to take precautions against the virus by staying home as much as possible, wearing a mask when out, remaining six feet away from others, and frequently washing our hands.

Sincerely,

*Syble Barry*
